# Managing Threats to Georgia Universities for Campus Chiefs and Command Schedule

\*\*Day 1\*\*

# **Morning Session**

## Identifying Students at Risk / In Crisis

- How does information concerning student's behavior of concern get disseminated? Do you have a formal behavioral assessment team? Designated officer to consolidate information?
- How do you make the assessment / Do you use a formal tool? What data access do you have?

#### **Lunch break**

#### **Afternoon Session**

#### Investigating the Internal Threat to Campus

- Do you have software Tracking / locating the threat (known / unknown)
- Assessing the threat (veiled or direct)
- Phone threats (anonymous)
- Online Open-Source threats working with online providers (YikYak, Reddit)
- Cell phone information
- Email addresses
- Tracking tools?

#### Post Incident Management Discussions

- What Mental Health training is needed?
- Does your campus have a Postvention Plan?
- Feedback on Next Conference or Tabletop

# Current Status of the USG Mental Health Task Force

- Accomplishments
- · Rolling out of USG Mental Health Certified pin

#### **Afternoon Break**

# **Dinner Presentation with Keynote Speaker**

# \*\*Day 2\*\*

# **Morning Session**

# Assessing and Responding to Bomb Threats / Other External Threats to our Campuses

- Effective Response vs Complacency
- Investigation and Assessment
- Working with Campus Administration
- Coordinating a sweep of campus

# **Lunch break**

### **Afternoon Session**

# **Facilitated Breakout Discussions**

- Size of Institution
- Resources (internal, external)
- Complexity of Response
